With the theme *"Responding to the Challenges of Globalization through Science, Engineering and Technology Innovations,"* ICRISET- 2020 is a two-day event which brings together science and engineering professionals and researchers in the country and in other parts of the world to share recent discoveries and results of their scientific inquiries.

Important Dates:

Full length Paper submission: 15 July, 2020
Acceptance, Revision & Notification due: 1 August, 2020
Camera Ready Paper & Registration: 17 August, 2020
Conference Dates: 04-05 September, 2020

Call for Papers and Conference Themes:

The organizer cordially invites full length research papers from all over the World to participate in the International Conference on "Research and Innovations in Science, Engineering & Technology"(ICRISET-2020). Topics of interest for submission include various subthemes, but are not limited to the conference aims. The conference aims at providing an opportunity for exchange of ideas and dissemination of knowledge among Academia, Industry, Research Scholars, Scientists and Entrepreneurs for holistic development of the society. To this end, the meeting aims to attract participants with different backgrounds, to foster cross-pollination between different research fields, and to expose and discuss innovative theories, frameworks, methodologies, tools, and applications for sustainable development. All contributions should be of high quality, Original and not

published elsewhere or submitted for publication. During the review period, Papers will be reviewed by eminent scholars in the respective areas. All selected and presented papers will be published in Peer reviewed International Journal/Conference proceedings. All the Accepted and Presented Papers will be Mandatorily Published in SCOPUS indexed/UGC CARE Journal based on peer review.

Tracks of the Conference:
