ABOUT THE INSTITUTION

Raajdhani Engineering College, Bhubaneswar was established in the year of 2006 and is one of the pioneer technical institutions in eastern India, approved by AICTE, Govt. of India, and affiliated to BPUT, Odisha. It is recognized by Dept. of Science & Tech. Govt. of India as SIRO, accredited by NAAC and approved Nodal Center of Research for PhD, by BPUT, Odisha. Presently the college offers 4 years B.Tech degree courses in CSE, ECE, EEE, EE, ME, CE, Master degree programmes MCA, MBA and M.Tech in Communication Engineering, Structural Engineering, Production Engineering, Computer Science Engineering and Power System Engineering. PhD in Mechanical Engineering, by BPUT, Odisha and 3 years Diploma courses in Civil and Mechanical Engineering.

OBJECTIVE OF THE PROGRAMME

The objective of the Induction / Refresher Programmes 2021-22 is to refresh the knowledge of faculties in the area of Artificial Intelligence & Machine Learning. It is time for faculties to finally get a clear vision into the working operations in Artificial Intelligence in total.

GUIDELINES

1. No Registration Fees
2. The faculty members of AICTE approved institutions, Research scholars and Industry participants.
3. Participants will be selected based on First Come First Serve basis and selected participants will be intimated through E-Mail.

4. Attendance is mandatory for all the sessions
5. On the last date of the program, an assessment test will be conducted for all the participants.
6. Preference will be given to ISTE Members
7. After the test result will be published and top three participants will be honoured.

Study Material: Study materials will be provided to each participant.
